About us

With the **Brauhaus Zwölf Apostel**, the **Eichbaum** brewery, which brewed its beer in Alzeyer Straße until 1978, wants to continue the tradition of the “Twelve Apostles”.

Since its opening in May 2008, the brewery has become a permanent fixture in the gastronomic offerings of the **Nibelungen city** of Worms.

We offer **traditional** and typical brewery dishes and a large selection of **regional dishes**.

In addition to the classics, our drinks menu naturally features an exquisite selection of **different beers** from the private brewery Eichbaum. Equally popular is the large **beer garden with 500 seats**, which has an old maple tree stand and invites you to linger.

Our beer garden is therefore particularly suitable for **coach groups** from all over the world. For smaller groups, family celebrations or company parties, we recommend the **conference room** on the second floor of the Brauhaus Zwölf Apostel in addition to our spacious guest room.

We will be happy to advise you so that your stay with us is unforgettable!

How to find us

From the A61, A67, A6 or B9 take the **B47**, here you will find the brewery.
